

# PARADE LINE UP

## THINGS TO NOTE:

Walking-only participants line up on the sidewalk. They will not have chalked numbers on the road. Only vehicles and floats will be on the road. For safety, all walkers should line up on the sidewalk/grass areas.

On Alexander Street, we will have to “double-up” so there will be an inner and outer lane (closest to the sidewalk.) As you show up for staging, please fill in the outer lane first.

- 3 through 62 will line up between Park Avenue and East Avenue
- 63 through 140 will line up between Park Avenue and Monroe Avenue
- 3 through 62 must enter Alexander Street from East Avenue
- 63 through 140 must enter Alexander Street from Monroe Avenue
